

BRDATA WORLD 2025

SEPT 14 - 18, 2025 | Hyatt Regency Hotel, Long Island, NY

BRdata World is an annual conference focused on education and technology best practices for the grocery retail industry.

Join us this year to meet with other grocery retailers, wholesalers, service providers, and tech partners to learn, share, and network.

You have the data, just ask Ada!

Discover how AI is transforming business intelligence and driving smarter, faster decision-making in your organization at BRdata World.

Book your room directly through the hotel at brdata.com!

Register at [BRdata.com](https://brdata.com)!

Don't miss out on the Extra Early Bird rate available until 4/30!

- 70+ sessions on the latest advancements in grocery technology
- Industry leader and peer led sessions—including [John Ross](#), President & CEO of IGA
- Pre-conference activities and off site networking
- Comprehensive training days held after the conference
