

# BRDATA WORLD 2026

SEPT 27 - 29, 2026

Hyatt Regency Hotel, Long Island, NY

BRdata

BRdata World is an annual conference focused on education and technology best practices for the grocery retail industry.

Join us to meet with other grocery retailers, wholesalers, service providers, and tech partners to learn, share, and network.

### You have the data, just say Hey Ada!

Discover how AI is transforming business intelligence and driving smarter, faster decision-making in your organization!

Learn about [BRdata OCR](#) to cut your reconciling time in half while identifying cost changes and discrepancies.

Track enterprise and store metrics and insights with [BRdata Dashboards](#).

Book your room directly through the hotel at [brdata.com](#)!

## Register at [BRdata.com!](#)

Don't miss out on the Extra Early Bird rate available until 5/31!
